This information includes your registration form, waiver and consent agreement and media release form.

# KiX DANCE STUDIO CLASSES

## PRIVATE SINGING LESSONS

These lessons are held at the studio of Brendan Scott or at the Heathmont Uniting Hall.

30 Minute Private Lesson

\$25

Lesson times will be organised between, Natalie, parents and Brendan, keeping in mind that singing lessons must work around dance classes or rehearsals.

Lessons must be paid for at the beginning of each lesson.

If you are unable to attend a lesson you **MUST** give Brendan at least 24 hours notice by calling him on 0419 231 199, or you will incur the usual charge for the missed lesson.

You may also like to visit Brendan's website at [www.brendanscott.com.au](http://www.brendanscott.com.au).

To find out more information about singing lessons please phone Brendan on 0419 231 199.

## CLASS ATTENDANCE

**Please arrive at your class 5-10 minutes prior to your starting time. Classes will start at the time shown on the timetable.** In order for your child to reach their full potential, they must attend regularly. This ensures that they feel part of the group and are confident when it comes time for performing. A student who misses can impact on the whole class. If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform us as soon as you can so we can let the teachers know and preparations can be made to catch up on any missed work. Sometimes children may not be well enough to participate in class, but well enough to watch, KiX encourages watching if at all possible. Natalie can be notified by texting on **0418 593 813**.

If any students are going to be absent throughout term 3 or during term 4, Natalie must be notified, as this is a crucial time for concert routine choreography and preparation for the concert. Poor attendance may result in the student being unable to participate in the end of year concert. Students are expected to attend ALL classes and rehearsals during term 4 and prior to the concert.

## EXTRA CLASSES

During the year, as examinations or performance dates approach (usually about 2 – 3 weeks prior), students will be required to attend extra classes. **Students are expected to attend these extra classes in regular class uniform.** Parents will be notified at least 4 weeks prior to the extra class being held. These classes may impose an extra charge (About \$2 per 15 minutes, sometimes less), which will be included on your term fee invoice.

## CLASS OBSERVATION

Parents are not permitted inside the classroom to watch their child. At intervals during the year parents will be invited to observe classes, so that they can see the progress of their child and help them with practice at home. Explanations will be given so that parents have a better understanding of stages through which dance is taught. Parents may watch their children's first class and parents of Little KiX students may stay in the classroom until they are happy their child is settled.

## **LITTLE KiX – PRE-SCHOOL TAP AND DANCE MOVEMENT**

KiX Dance Studio welcomes pre-schoolers to learn ballet, jazz and tap in a fun and educational atmosphere. In our 1 hour class, we teach the basics of different dance styles to small children through fun activities, we finish the class off with some acrobatic mat work and have parents join in at the end to help with the final activity..

This 1 hour class introduces these very young boys and girls aged 3-5 the basics of ballet, jazz and tap styles to familiar music such as nursery rhymes, Disney classics and other popular pre-school artists. Children will learn and strengthen for dance through fun and creative activities which will include, but not limited to, free dance, song, role playing, props and story telling. In this class children will love trying to balance, have fun learning how to run like a dancer on their tippy toes, and use lots of energy lifting their knees up high while skipping around the room. Children may be asked to play catch with bean bags or pick up “diamonds” (shhh...they’re actually just feathers) from the ground to help develop their hand-eye coordination. A fun obstacle course is set up for warming up and at the end of class the children will cool down with gentle stretching.

In the tap part of the class your child will be learning super fun basic tap skills in an imaginative way while sometimes playing with instruments to help promote rhythm and timing. They will learn steps including toe-heel, heel-toe, stamps and shuffles as well as making as much noise finding their voice while singing in our fun, safe and educational dance environment.

This class is suitable for both boys and girls who are having so much fun that they don't even realise that they are learning the fundamentals of ballet, jazz and tap technique along the way.

Our experienced dance teachers and assistants know how to give your child personalised attention so that they can progress at their own pace.

Concerts are optional for this age group.

KiX is a Registered Member of IMAGINE “A Place To Be Me” – Australian Teachers Of Dancing Pre-school Program.

## **PRIMARY COMPOSITE CLASSES – RUBIES PEARLS and DIAMONDS**

These classes are offered to primary school aged children. Level depending on age and ability. Classes vary from 90 minutes to 3+ hours. Ballet, jazz and tap are offered as a composite class.

KiX has several levels for primary school aged children.

Throughout these levels the main focus being on building strength, gradually improving flexibility, technique and confidence in each of ballet, jazz and tap styles. Core strength being a very important part of developing technique, at KiX we ensure that this is a fundamental part of each class and we introduce exercises that are heaps of fun for a child while doing this.

The ballet component of the class follows an examination level. Correct alignment of the body and posture being taught from day one. We believe in correcting technique in a positive manner. Your child will progress through the levels as they (physically and mentally) are ready. At ATOD Silver classical examination level students are encouraged to take a minimum of two classical classes per week to build the strength required for progression through higher levels.

Each jazz class comprises of a warm up followed by strength and an appropriate flexibility exercises. Students will then work on the learning of skills. Their dance skill vocabulary will be built up throughout the year, ensuring that all children are working at their own pace. A cool down and stretch will finish their class.

The fundamentals of tap technique are taught, ensuring a child understands the mechanics of each tap movement.

Both the jazz and tap classes are exam based as well, this ensures skills are taught progressively using an approved / registered syllabus.

### **CLASSICAL CLASSES - HIGHER LEVELS (OPALS and SAPPHIRES)**

These classes are for high school and above aged students who wish to work towards completing classical examinations. Students are working on Silver and above ATOD examination levels. As part of their classical syllabus, classes might include neo-classical, character and national dance. Once students reach Silver examination level they should attend a minimum of two classes per week if they would like to continue with their classical examinations. Students may continue to take classical classes once per week, but not participate in examinations, in doing this they will still have all the benefits that classical dance has to offer including being a part of routines and hence performances. Progressing Ballet Technique is included in these classes. Pointe preparation forms a part of conditioning classes and pointe is included in classes as needed.

### **JAZZ CLASSES - HIGHER LEVELS (OPALS and SAPPHIRES)**

These classes are for high school and above aged students who wish to work towards completing jazz examinations. It is preferred that jazz students will also participate in a classical class as this will enhance their jazz style and forms the foundation of lyrical dance. Students are working on Silver and above ATOD examination levels. As part of their jazz syllabus, classes will possibly include lyrical and musical theatre styles as well.

### **TAP CLASSES - HIGHER LEVELS (OPALS and SAPPHIRES)**

These classes are for high school and above aged students who wish to work towards completing tap examinations. Students are working on Silver and above ATOD examination levels. As part of their tap syllabus, classes will include tap in it's various styles, including street tap.

### **CONDITIONING**

These are open to all students, PREP and above. Conditioning is also included in all Jazz and Ballet classes. It is encouraged that students from 7 years plus take this extra strength building class. Core and muscle strength is required to achieve all dance skills with a good technical quality. The class will start with a cardio / strength warm up which will be varied from week to week. Students will participate in conditioning exercises to improve overall muscle and core strength, flexibility and classical technique. These classes will also include focus on the fundamentals of jumps and turns through drilled repetitive training. In dance we are building muscle memory to improve technique. Students will finish with some foot and ankle specific strengthening exercises. KiX provides mats, fits balls, balance boards, sliders and many other fitness apparatus to the students during the running of these classes.

### **CONTEMPORARY IMPROVISATION and CONDITIONING**

At KiX Dance Studio we welcome you to our contemporary and improvisation dance classes which promote self expression and physical fitness. It is encouraged that students are also taking classical ballet classes, as this will enhance their contemporary styles.

## **HIP HOP**

This funky fun class will start with a warm up and stretch and then move into a routine. Students will work on hip hop technique and skills, learning how to pop and isolate to master the aesthetics of the hip hop style.

## **MUSICAL THEATRE**

At KiX Dance Studio, we offer a musical theatre classes to primary and high school aged students. In this class students will work on vocal exercises to improve their pitch and projection. Students will take on rolls to perform mini drama skits. Learning how to present a monologue on their own. During class drama through games are another tool used help improve confidence in each child which then shines through in their performance on stage as time progresses. Basic dance using correct technique will be taught to enhance a song number. These three (vocal, drama and dance) skills are all required for a well rounded musical theatre performer. In 2026 ATOD Musical Theatre exam syllabus will be used during the first part of the year. ATOD now offers 7 levels in their Musical Theatre syllabus. A program developed by industry professionals to enhance the Musical Theatre program of any Performing Arts program. Students will participate/perform in the KiX mid year exhibition and end of year concert. I would love to see your child find their voice and performance personality.

## **ADULT CLASSES - THESE ARE CURRENTLY NOT OFFERED**

## **ACROBATICS**

Acrobatic skills are now incorporated into many dance routines. Some acrobatic fundamentals and skills will be included and taught in conditioning and composite classes. KiX uses The Acrobatic Dance Association Syllabus.

## **YOU MIGHT LIKE TO KNOW**

KiX uses the Australian Teachers of Dancing syllabus of training for examinations, which is comprehensive in all genre (Ballet, National Character, Contemporary, Jazz Moves, Hip Hop, Tap, Street Tap and Musical Theatre), and is updated regularly to keep up with changing trends in dance. Teachers attend an annual workshop to touch base with the leading members of the association and refresh with any updates or new syllabus requirements. Natalie is an Associate Member of Australian Teachers of Dancing.

Natalie is certified to teach Progressing Ballet Technique (PBT). PBT is an innovative program designed to train dancers in muscle memory to improve technique, flexibility and longevity in dance, while gaining a greater awareness of their muscles and how to use them properly to achieve their goals in ballet.

Natalie has also attended workshops with Lisa Howell, whom is highly respected as a dance physiotherapist. Lisa runs workshops around the world to help teachers keep up to date with the latest information on how to build strength and flexibility safely in all dancers of all ages and abilities.

Students will work towards examinations and learn routines for the mid year performance in the first half of the year. Whilst examinations are not compulsory they are encouraged as they build self confidence and develop technique in a progressive manner. Students have a goal that they are working towards.

In the second half of the year students will learn routines for the end of year concert. Song is also included in these classes.

# KiX UNIFORM

Uniform and good grooming are an important part of dance. Students groomed appropriately are ready to dance and learn.

A uniform helps the teacher to be able to see a students' alignment, posture, and more from head to toe in order to make corrections when needed.

Wearing a uniform cuts down on distractions in class such as who is wearing the latest cutest dance attire or trend and helps to promote class unity, thus bringing a troupe / team together in unison in their attire and also in their dancing.

Inappropriate clothing can cause discomfort and even injury, students sometimes spend more time hitching and fiddling with badly fitted attire.

Dance Art in Croydon sells dance underwear which helps to keep messy underwear from being visible during dance class. Please do not wear action back tops under dance leotards, it cuts the line of the students' back making it hard for the teacher to see if the correct muscles are being used .

**Uniform is compulsory and guidelines are to be followed by all students Little KiX to Seniors.**

All new students must be wearing the correct uniform by the third week of attendance.

Please see the next two pages for requirement and where to purchase.

**STUDENTS MUST COME TO CLASS WITH THEIR HAIR BRUSHED AND SECURED BACK OFF THEIR FACE IN A PONYTAIL OR A SECURE CLASSICAL BUN (KiX Primary RUBIES + ABOVE), clips should be worn to hold hair back and a red ribbon or elastic may be tied around the pony or bun.**

For safety reasons NO jewellery other than earrings (studs only) may be worn to class. **Please leave watches and fitbits at home, as I will ask students to remove them.**

New uniform and dance shoes can be purchased from the Croydon Ballet Shop "Dance Art" at 207 Mt Dandenong Road Croydon. Ask about becoming a VIP member (it's free).

Let them know you are from KiX and they will look up KiX uniform details.

See also where to purchase in the table below as many uniform items can now be purchased through KiX.

*Please name all of your shoes and items of clothing. KiX Dance Studio will not be responsible for lost or stolen property.*

## KiX JACKETS + TSHIRTS

I am sourcing new ones for 2026.

No other jackets or t-shirts will be permitted to be worn at the during of a class.

# KiX UNIFORM

## GIRLS STOCKINGS FOR PERFORMANCE

**UNDER NO CIRCUMSTANCES IS A STUDENT TO PERFORM PUBLICLY WITH HOLES IN THEIR STOCKINGS.**

Please keep stockings for performances separate. Parents will be notified of stocking requirements prior to their performance.

Pink ballet tights NO seam	Energetiks Brand or Studio 7
Skin tone tights	Energetiks Brand or Studio 7

Some groups may require convertible tights also. Acrobatics, and Contemporary / Conditioning. It is good to have a pair of convertibles for class, I sometimes have children remove shoes to help explain and check foot and toe alignment.

Natalie will usually have spare tights at a performance.

***If purchased at performances, these must be paid for in full before receipt of the stockings.***

## PERFORMANCE UNDERWEAR

Students who require a bra, will need to have a convertible bra with clear straps or depending on costumes may also require a convertible skin tone body suit with clear straps. Dance ART can help with options and sizing.

**NO PATTERNED OR COLOURED UNDERWEAR IS TO BE WORN UNDER COSTUMES.**

Only skin tone undies or skin tone G-string may be worn, such that they do not come out from under leotard style costumes. Dancewear shops have appropriate skin tone underwear. KiX has limited underwear for sale for students. Dance underwear are also great for regular dance classes, very neat under their uniform. 😊

All younger students, Little KiX to Diamonds, can hire a bodysuit for performances. A \$5 hire fee will apply. Please ensure that these are returned after performance.

## HAIR WIGLETS

At some performances curls in hair are required.

Younger students will each be required to have their own curled wiglets, these are available from the Croydon Ballet Shop "Dance Art" for about \$45. KiX now has wiglets that can be ordered for \$35.

You will be notified if your group requires a wiglet.

**RUBIES PEARLS and DIAMONDS WILL REQUIRE THEIR OWN WIGLET FOR THE END OF YEAR CONCERT.**

**Please do not purchase OTHER wiglets from other outlets as these may be different.**

## MAKEUP and HAIR

Please see further information on separate notice. A makeup and hair demonstration will be held for all students early in Term 2.

## SECOND HAND SHOES and UNIFORMS

There are a limited number of second hand shoes and uniform items available from KiX Dance Studio. These will be on display and for sale in week 2 of Term 1. If you have shoes or uniforms that you would like to sell please give them to Natalie in a bag labelled with your name (otherwise I will not know whose they are when I get home). Shoes and uniforms may only be given to me on the allocated dates. Leotards, dance shorts and ballet skirts must ONLY be the Energetiks brand, other brands will not be sold second hand.

**Another great place to purchase second hand dance shoes is from Market Place on Facebook. I do a biannual drive around and purchase them myself for sale to students.**

# COSTUME HIRE FEES

Many costumes at KiX Dance Studio are sewn new each year. I usually start late term 2. The beautiful costumes at KiX are made from good quality materials. Your child will feel special in each costume and we do our best to ensure that the costume is nicely fitted and comfortable for each and every child. All costumes are washed after use before being stored away.

All costumes are hired by students from KiX Dance Studio.

**Approximate** hire fees for 2026 for each class are as follows and can also be found on the summary of fees 2026. The cost of costumes is spread out over 2 to 3 terms (depending on group) and added to term fees, with the final payment being added to term 4 fees. **A due date to advise KiX of your child's non-participation is advised in term 3. Where we are not advised by this date, all costumes hire fees are payable by you.**

Families do not receive a discount on costume hire fees. Fees are structured on the number items a student is in at the end of year concert.

## MIDYEAR COSTUME HIRE FEE

\$0-\$20 TOTAL

This may be charged in Term 2 and shown on your invoice. Costumes for this show are basic. This fee is to help cover the cost of cleaning all costumes after the show. In 2026 most items will just be in class uniform and hence no charge. Don't forget that if your child is also participating in Contemporary, Musical Theatre and Hip Hop that this will add to the costume hire tally.

# EVENTS THROUGHOUT THE YEAR

## COSTUME WORKSHOPS

Parents and students will be invited to spend a day helping with some basic costume or prop sewing / sorting / ordering or ensuring that the costume sewers are well fed!

## MID YEAR EXHIBITION DAY

In this is a very casual concert in which students will perform items that they have learnt so far (much of which is examination work). It is an opportunity for students to dance on stage in front of an audience. Tickets are sold prior to the event which is set up in a cabaret style and there are two shows. Younger students only perform at one show. The attending audience may bring drinks and light refreshments. Costumes on this day are either class uniform or very basic. Audience tickets for this event will be \$20.

## CHOREOGRAPHIC EVENING

During the year students will be guided and encouraged to make up their own dances. Students may choose to do this as a solo, duo, trio, quartet etc, in ballet, jazz or tap styles. The competition is within KiX Dance Studio only. \$10 entry fee. Audience entry fee is free.

## A.T.O.D. COMPETITIONS (TROUPE + SOLO EXAM DANCES)

These are held over two Sundays involving ATOD schools from around Victoria. Students who have reached the required standard may enter solo/duo, performing their current exam level dance or choreographic dances as solo, duos or trios. KiX may also enter Troupes depending on age level interest. All entries and fees need to be sent in by early May. Fees are about \$10 per item per student, less for troupes. You will receive information at the end of Term 1. Students wanting to perform exam items as solos may need private lessons, which will be charged at \$30 per 30 minutes of tuition.

## EISTEDDFODS and DANCE FESTIVALS

KiX does not usually partake in troupe competitions. Students may have private lessons and enter into a competition as a solo, duo or trio. Entry information is sent to these students and parents they can enter these competitions themselves through various third party competition entry platforms / websites. Where a group is considered ready to perform in a troupe competition, extra troupe classes will usually be needed or private lessons and will incur an extra cost and also an extra costume hire fee. These classes will give students the opportunity of more performances throughout the year. Troupe work is team work and hence dedication on the part of the student and parent will be required.

## FETES + OTHER PERFORMANCES

If anyone knows of any fetes or other groups who would like to be entertained with a show that can be tailored to their requirements please let me know.

## INITIAL CONCERT REHEARSAL

### Rehearsal for some students.

An initial run through of the show and specifically segments where a few groups come together. THERE IS NO VIEWING OF THIS REHEARSAL

## PHOTO DAY (Performance hair and makeup will be required)

Held at HUC.

According to a time table, students will try on costumes and have their photos taken in costume, both in solo and as a troupe. Parents must be present on this day to help dress their child and receive guidance on how the costume should sit (all costumes and hats should be the same on all students). Photos will be available for viewing and purchase at a date to be advised.

## THEATRE REHEARSAL – FULL CONCERT

(Practice hair positions, but no make required)

### **THIS IS COMPULSORY FOR ALL STUDENTS IN THE CONCERT – NO EXCEPTIONS**

This is a full rehearsal in the order of the concert program at the theatre with sound and lighting. All students will familiarise themselves with the stage, and entrance and exits through the wings. Parents must be present to help dress their child. Confirmed date to be announced in late March. Students, parents, family and friends are NOT permitted in the auditorium or backstage to watch this rehearsal.

## END OF YEAR CONCERTS

Students will have 2 concerts to perform in on the same day. Parents will be required to help dress children backstage for one concert and can therefore watch the other if they wish to do so. One of the concerts will be professionally videoed. Tickets for the concert are sold early in term 4. APPROXIMATE COST OF TICKETS - Child/Pensioner \$37.50 and Adult \$42.50. Sales of tickets help to pay the cost of hiring a properly equipped theatre.

## EXAMINATIONS

Natalie is an Associate Member of A.T.O.D. Ltd, Australian Teachers of Dancing. This association offers syllabi in each genre from pre-school level up to advanced standard. For each level schools purchase DVD, CD, syllabi and theory books. For students to enter an examination they will have reached the required technical standard and, from bronze medal and above, know the theory associated with each step. A.T.O.D. sets guide lines for etiquette in the exam room, hence providing students with dance discipline guidelines that must be followed in all their dance studies throughout the year.

Examination costs range from \$50 at the lower levels up to \$100+ for an advanced examination, note that students may do more than one exam per year. Theory books are \$30 each for classical and tap. Parents will receive a notice that their child is ready for an examination 8 weeks prior to the examination being held. The examination fee payment will be made separately through an online platform. Students receive a certificate and a medal on successful completion of an examination. Examination days will be held in late July or early August (dates to be confirmed with the board). As examinations approach (2 – 3 weeks prior) students will be expected to attend class twice per week, this helps greatly in their preparation and confidence. Examination uniforms are as per KiX uniform. **Once the fees have been paid by KiX to ATOD (28 days prior to the exam date), there will be no refunds without a doctors certificate and then only 75% will be refunded.** Refer to exam notice for further details. Fees must be paid at least 5 weeks prior to date of examination or your child will not be registered to do the exam.

## TEACHING COURSES

ATOD also offers recognised teaching courses. Assistant Teacher Training, specific to ATOD. Certificate III in Assistant Teaching, Certificate IV in Dance Teaching and Management and also a Diploma in Dance Teaching and Management. These courses are available through many other tertiary institutions as well.

## THEORY BOOKS

All students studying for examinations from Bronze Medal and higher in Ballet and Tap will be required to purchase a theory book. These theory books are for Ballet and Tap and are \$30 each. Theory books contain theory for all grades from Bronze Medal to Gold Star, hence it is a one off purchase and I do remind children regularly to look after them. Students are required to present their OWN theory books at the beginning of their examination. Theory books are added to fees in term one and will be received by students by the middle of term one.

## MUSIC

If you would like dance class music please let me know.

## CONCERT DVD

At the end of the year you have the option of purchasing a professionally recorded DVD of the concert for \$30-\$40. Information on how to order will be included in the concert information pack.

## REFRESHMENTS

Students **MUST** bring a water bottle to class, please do not fill it with anything other than water, ie no fizzy drinks or cordial. KiX Primary to Senior classes have a short break. Please pack a light refreshment which is quick and easy to eat, ie muesli bar (not chips or lollies or cakes). Students will remain inside the classroom during this time. No gum is to be brought into the classroom.

## GENERAL SAFETY AT KiX

The hall is locked from the outside during class time. Please arrive on time to limit the disturbance to other students. Students are not permitted to leave the classroom without a parent or guardian. Please let me know if someone else is picking up your child. If you are running late to pick up your child, please send me a quick text. Students are accompanied by a teacher to the bathroom during allocated drink or snack breaks. Windows are kept covered to keep concentration inside the classroom. A First Aid kit is kept in the classroom and teachers are trained according to regulatory requirements. Working With Children Certificates are held by all staff and volunteers who make contact with the children.

## LOST PROPERTY

KiX Dance Studio takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible and please name your drink bottles, dance shoes and clothing so that they can be returned to you promptly if found.
